

Dear

I have pledged to vote in every election, because

I'd like to ask you to do the same.

Will you commit to be a voter and cast your ballot in the mid-term election on Tuesday, November 6, 2018?

I'm not asking you to vote for any particular candidate, only to be a voter. I'd like to know if you received this and plan to vote, so I've enclosed a stamped reply postcard. Just initial it and drop it in the mail.

And then, on November 6, cast your ballot and make your voice heard!

Thank you,
